This License Agreement does not alter any rights or obligations LICENSEE may have under those open source or free software licenses. The disclaimer of warranties and the limitation of liability provisions in this License Agreement shall apply to such Third Party programs except where third party license terms provide LICENSEE with lesser rights or greater obligations than are provided for in this License Agreement, in which case such third party license terms apply. **The list of Third Party Programs and applicable licenses are included in the Third Party Legal Notice Section of the Blue Ridge website.**

Except for payment obligations hereunder, neither party shall be responsible for delays or failures in performance resulting from acts reasonably beyond the control of that party.
